

DISCIPLINE / DISSCIPLINE

Discipline is aimed to cultivate obedience and is very important in a school environment. Discipline is done on a positive manner as far as possible.

DISCIPLINE CODE

- Children must not play reckless, e.g., throwing stones, water, tree pods or sand, hit, kick, spit or bite other children or teachers.
- Children may not climb in trees or hang on branches.
- Children may not run-on cement walkways in front of the classrooms for safety reasons.
- Girls and boys are not allowed together in the bathroom.
- They may not stand on swings or swing too high or jump out of a swing while swinging.
- They are not allowed to climb up the walls or fences, or to touch electric fencing.
- Children must use the toilets and not urinate outside.
- Dirty language, swearing or finger signs are not allowed.
- Sticks, sand, or stones must not be thrown in the bathroom basins. Mud hands must be washed of by the outside tap.
- Bad behavior such as talking back, hitting, biting, or kicking a teacher or staff member, sticking out tongue or throwing toys or food are unacceptable.
- Children are not allowed to turn ropes, scarfs, or any other clothing pieces around their necks.
- Children are not allowed to wear each other's clothing and shoes or play with it.
- Children are not allowed to drink out of each other's water bottles.
- They are not allowed to walk around on the school ground with the water bottles. They must drink water in front of their own class and keep the bottles there.
- They are not allowed to bring toys from home. (Only if arranged with the teacher for a specific purpose)

Teachers will inform parents in the case where children's behavior is not under control. An appointment will be made with the principal to address the situation and to find a solution to work on the problem. We trust that you as parent will bring your side to help us help the child.
