1. All children who enroll must be fully potty-trained. No children wearing diapers will be accepted.
2. There are only limited places available in the school and therefore, unfortunately, we cannot always help everyone who applies.
3. Preference will be given to our current parents and to enrolments from parents who have previously had children in BANA if applications were made via email on the indicated date (18 May).
4. If your application was unsuccessful due to limited space available, your information will be stored on a waiting list, and you will be contacted should a space possibly open for the year you have applied for. You will also have to enroll again for the following year.
5. You should please always be available for communication on the email you used to make the application.
